

Florida is a **Closed Primary** election state. You are receiving this postcard because you are not a registered Democrat or Republican. Only registered Democrats and Republicans are eligible to vote in the March 17, Presidential Preference Primary Election. You can change your party affiliation if you wish to, providing you do so by February 18th, 2020.

How to Change your Party Affiliation:

Party changes must be completed 29 days before the primary election. A voter can declare or change their party affiliation by submitting a Florida Voter Registration Application online, in person, by mail or by submitting a signed, written notice that includes the voter's date of birth or Florida voter registration number.

Information on Florida's major and minor political parties can be found on our website www.duval elections.com or dos.myflorida.com/elections.
