# Training Class Registration Portal Is Open Now

A Future Look at Training: As we look to training for future elections know we understand at times it feels frustrating to have to attend a training class for each election. State Law dictates each poll worker is required to attend a minimum number of hours of training for each election cycle. Looking forward we are starting to film some classes to potentially do some on-line training. This is a work in progress and we'll update you as this evolves.

### **Training Update**

**2023 May General Election:** 

All Precinct Managers, Assistant Managers and Experienced Inspector Techs must attend a 3 hour training session prior to the May 16 General Election.

**All new Inspector Techs** must attend a 3.5 hour classroom training session prior to the May 16 General Election.

**All new or experienced Deputies** must attend a 1.5 hour classroom training session prior to the May 16 General Election.

All experienced poll workers **being promoted to Manager or Assistant Manager** must take the 7 hour New Manager and Assistant Manager classroom training session.

Training for the May 16 General Election will begin on April 3, 2023, and run through April 25, 2023.

**Note:** If you have not successfully completed training by April 25, 2023, you will not be assigned to work in the May 16 General Election.

# How to Register for Managers and Asst. Mgrs, Deputies and Inspector Techs

To register, go to www.duvalelections.gov, scroll down, click on POLL WORKERS on the left hand side, and click on REGISTER FOR A CLASS from the menu that appears. On the next screen, click again

on **REGISTER FOR A CLASS.** On the next screen click on **ELECTION WORKER PORTAL**. Your VOTER REGISTRATION NUMBER is both your user name and password. Have this handy before you register. You will enter your voter registration number here for both your user name and password then click LOGIN. PLEASE DO NOT make any changes to your user name or password.

Now you are at the screen where you register for your class. Select your class by clicking on ENROLL to the right of the class you want to take. You will see the ENROLL switch to the word WITHDRAW. THIS MEANS YOU ARE NOW ENROLLED IN THAT CLASS. You will see the number of the seats remaining drop by one which means you have been assigned a seat. Should you wish to withdraw, simply click on WITHDRAW and you will be removed from that class. Once enrolled, then show up thirty minutes early to check in for your class's assigned time. It is imperative that you arrive on time for your training class. Arriving late disrupts the class and you may have to be rescheduled.

PRECINCT MANAGERS and ASSISTANT MANAGERS enroll in an **EXP MANAGER AND ASSISTANT MANAGERS CLASSROOM COURSE**. EXPERIENCED INSPECTOR TECHS should enroll in an **EXP INSPECTOR TECHS CLASSROOM COURSE**. NEW INSPECTOR TECHS should enroll in a **NEW INSPECTOR TECHS CLASSROOM COURSE**. DEPUTIES, whether experienced or new, enroll in a **DEPUTY CLASSROOM COURSE**.

Please arrive 30 minutes early for your class to allow time for the check-in process.

## Mike's **Message**

By the time this letter reaches you, we will have conducted and completed five countywide elections in 16 months. By the time May rolls around, we will have conducted six countywide elections in less than 18 months. No other Florida county has accomplished such a task. In addition, during those last 16 months my staff had to complete county redistricting twice - a daunting task. Again, no other Florida county has ever had to carry out redistricting twice in succession.

The May 16, 2023, election will be my last election as the Duval County Supervisor of Elections. I am proud, privileged, and honored to have served with each one of you; serving alongside you has been a blessing. I will miss you all.

I thank each of you: from our magnificent poll workers, to our call center and warehouse seasonal workers, to my full and part-time staff for the dedication and courage you exhibited during my tenure, especially during the 2020 cycle of elections that we successfully conducted while faced with the great challenge of the COVID pandemic.

"Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others."

(Philippians 2:3-4 NIV)

I wish you all a great life.

Yours very truly,

Mike Hogan

Supervisor of Elections
