Mike's Message

First and foremost, thank you to all of you who served in the recent special elections held in December and February. Special elections can be a bear, and this one was. As always, the team pulled together and met every challenge. If there was a gap, it was filled. If there was a problem, it was solved. When you work as a team, you will always be successful.

Looking ahead, we need the same team spirit and skilled performance in the upcoming elections over the next year.

Our next election will be a Closed Primary on August 23, 2022. The August ballot will include races for U.S. Senator, U.S. Representative (Congress), Governor, Attorney General, Chief Financial Officer, Commissioner of Agriculture, State Representative, State Senator, Supreme Court Justice, District Court of Appeal, Duval County School Board, and a possible School Board Referendum.

Training for the August election will start in June.

In closing, I have one request. We always need more poll workers. This is especially true for 2022. Because you know the work and the skills required for the job, you are our best recruiters. Please help us in this endeavor.

Wishing you and all your friends and family peace!

Mike Hogan
Supervisor of Elections
