Duval County Supervisor of Elections Office to Mail New Voter Information Cards to Voters Affected by the Recent Court Ordered Countywide City Council District Map

JACKSONVILLE – Duval County Supervisor of Elections Mike Hogan would like to inform voters that due to the recent Court Ordered Countywide City Council District Map now in effect our office will be mailing out New Voter Information Cards to approximately 200,000 of our registered voters. The Court Ordered Map adjusted some of the lines within our 14 Jacksonville City Council Districts and this has caused some voter's Districts and/or Polling Locations for the upcoming March 21, 2023 City of Jacksonville First Election to change. Our office will be mailing New Voter Information Cards only to the voters who the Court Ordered Map has affected.

If a voter is unsure which City Council District they live in or the Election Day Polling Precinct they vote in they can visit our website www.duvalelections.gov and from our home page they can then click on the navigation link entitled WHERE DO I VOTE. They can also call our office at (904)-255-"VOTE"(8683) and we will be happy to assist them.
